

Unleash the Power of Jobvite Engage and Maximize Your Recruiting ROI

Jobvite Engage Strategic Services (ESS) is a customized, end-to-end consulting offering that makes it easy to take full advantage of Jobvite Engage technology and increase your recruiting ROI. By partnering with your team to create and execute a tailored sourcing strategy—one that uniquely attracts and engages the top talent in your industry—we extend the standard Jobvite Engage implementation to help you reduce your reliance on staffing agencies and bolster your talent pipeline.

Find Qualified Candidates Faster

Better identify critical talent pools, and map out a strategy to grow that pipeline of talent.

- We'll work to understand the needs and challenges of your organization, so you can craft the right candidate messaging
- Apply our best practices and expertise to implement a more optimized sourcing process

Increase Your Candidate Response Rate and Engagement

Get noticed by the right candidates—with ease, convenience, and expertise.

- Work with Jobvite professionals to create and launch powerful campaigns that reach prospects across every critical platform
- Leverage industry-leading best practices like SEO optimization, keywords, and creative designs that are proven to increase engagement

Drive Higher Recruiter Adoption

Give your recruiters the tools and training they need to make the most of Jobvite Engage.

- Improve results, elevate candidate quality, and increase ROI with higher usage of Jobvite Engage
- Gain access to a wealth of tools that simplify and encourage the use of Jobvite Engage, including standardized processes and ready-to-use campaign templates

Justify your Investment and Effort

Measure your team's success with confidence and precision.

- Our team will help you identify the key metrics that matter, ranging from recruiter usage to talent additions to pipeline growth
- We'll configure the system so you can track those metrics and create reports that help you analyze and measure team performance

“Our Social Media Boost session, which was run by the ESS team, was seriously inspirational. Midway through the session, there was an “aha!” and we realized, we can do so much more. We were leveraging on the tip of the social networking iceberg. With a new vision and metrics in place, we can credit ESS with making us much more savvy recruiters.”
