

# Deliver an Exceptional Candidate Experience while Maximizing Recruiter Productivity

## Jobvite Hire: A Leading Applicant Tracking System

In a world of near perfect employment where candidates are in control, the rules of recruiting have changed and you need to adapt. Jobvite Hire is a powerful, easy-to-use solution that uses automation and intelligence to help you engage deeply with candidates while increasing recruiting speed and quality.

### Reach High Quality Candidates Faster

- Extend your employer brand through automated job invitations that are sent from your employees accounts to their social networks
- Increase the visibility of your open jobs through 200+ global social networks
- Lower candidate drop-off with an easy application process that is mobile friendly and doesn't require a login
- Identify the best candidates automatically with smart candidate ranking

### Increase Recruiter and Hiring Manager Efficiency

- Streamline your process with fully configurable workflows
- Improve recruiting efficiency by using automation tools such as candidate ranking and smart scheduler
- Empower busy hiring managers to submit interview feedback and collaborate right from their mobile device

*Having everything on one proven system makes our lives much easier and the efficiency on our behalf makes it a better experience for everyone involved. Thanks to Jobvite, we hired 800 people with 2 recruiters in 1 year.*

### About Jobvite

Jobvite is leading the next wave of recruitment innovation with Continuous Candidate Engagement (CCE), a candidate-centric recruiting model that helps companies engage candidates with meaningful experiences at the right time, in the right way, from first look to first day. The Jobvite Platform infuses automation and intelligence into today's expanded recruiting cycle to increase the speed, quality, and cost-effectiveness of talent acquisition. Focused exclusively on recruiting software since 2006 and headquartered in San Mateo, Jobvite has thousands of customers including LinkedIn, Schneider Electric, Premise Health, Zappos.com, and Blizzard Entertainment.
