

# Build A Best-In-Class Recruiting Organization

## Jobvite Strategic Services

Jobvite's Strategic Services team offers deep expertise that helps customers transform into best-in-class recruiting organizations. We understand best practices, where the recruitment landscape is changing and how to get the most out of your recruiting processes and technology solutions. We identify gaps in an organization's current state processes and technologies and present recommendations that propel our customers to a more advanced state of talent acquisition maturity.

Let us help to identify opportunities, solve your current pain points and design a future state that optimizes Jobvite to create a solution designed specifically for you.

### What We Offer

- Unparalleled talent acquisition experience, expertise and advisement
- Recruiting best-practice consulting on how to wow both hiring teams and candidates
- Facilitate and lead future state process discussions with key stakeholders
- Technology alignment and optimization to enable a best-in-class recruiting process

### Current State Audit + Recommendations

### What We Do For You

- Identify and recommend solutions for your existing talent acquisition pain points
- Connect the dots between people, process and technology
- Formulate future state process diagrams that are unique to your business while optimizing your Jobvite solution
- Propel your team to a more advanced state of talent acquisition maturity
- Improve your overall value to the organization
